
Creating 21st-Century Patient-Centric Care!

ACMSS certifications are sought and earned across healthcare, achieveing the highest distinction in the industry, certifying only those medical scribes who meet high educational, professional standing, and examination standards. ACMSS meets Federal regulatory requirements of "who" (CEHRT Personnel Measure) may document in the Electronic Health Record.

ACMSS partners with the industry to employ high caliber **Certified Medical Scribe Specialists** (CMSS) or **Certified Medical Scribe Apprentice** (CMSA).

ACMSS develops, maintains, and represents the highest professional ***quality*** of medical scribes in the industry for medical record documentation throughout healthcare.

ACMSS, a non-profit 501(c)6 corporation, is devoted to advancing the education, proficiency and professional standing of medical scribes. We are the only governing body charged with upholding the **standards of excellence** for accreditation, training, and evaluation.

American College of Medical Scribe Specialists
